denver apple pi

Apple Computer Users Group

Apple Pi is not offiliated with Apple Computer, Inc.

MEETINGS

Apple Pi holds its general meeting on the first Thursday of each month at 7:00 p.m. at the Green Center, Colorado School of Mines campus, Golden Colorado. This meeting is a combination of an informational meeting, new product announcements, and a short business meeting. The members are given the opportunity to buy computer supplies a little above cost. Software products are given away as door prizes.

On the Sunday following the general meeting there is an informal meeting called The Core Meet. This meeting is usually held at the Clear Creek Office Park at 4251 Kipling. This meeting is held from 10:00 a.m. to 3:00 p.m. and provides a more informal environment to seek or give advice and to get copies of programs from the Apple Pi Library. Both meetings are open to the general public but only members have access to the products sold and the club library.

NEWSLETTER

The Seed, Apple Pi's newsletter, contains programming tips, club news, and other computer information. Subscriptions are free to members only.

PROGRAM LIBRARY

Apple Pi currently has a library of over 8,000 programs. All current disks are in 16 sector DOS, Pascal, CP/M and some ProDOS. Apple Pi library copies are available to Apple Pi members only by:

1) Coming to the monthly Core Meet.
2) Written request to the club librarian.
3) Electronic downloads from the Apple Pi BBS (Bulletin Board System).

DISK OF THE MONTH

Each month a collection of some of the best programs donated to Apple Pi are put on a special disk we proudly call The Apple Pi DOM (Disk Of the Month). The DOM can be purchased at any group meeting or by mail.

DUES

Current membership dues are $18.00 per year, with a one time application fee of $10.00. Checks should be made payable to Apple Pi.

_____ _____

SECRETARY- _____ MARY ANN VITRY

_____ _____

TREASURER- _____ JOANN BACHMAN

_____ _____

DIRECTOR-AT-LARGE (VOTE FOR TWO [2])

_____ ROY DEAN

_____ JIM FLANAGAN

_____ _____

_____ _____

ELECTION OF OFFICERS

Attached you will find a ballot for election of Officers for Denver Apple Pi for next year, June 1985 - May 1986. One board member, Trent Hein, has one more year remaining on his term of two years as a Director. Randall Ansley, who is also currently a Director-at-large is planning to resign this position if elected President. Therefore, we will be electing two Directors-at-large, one for a two year term and one for a three year term. The candidate receiving the most votes will be elected to the three year term and the runner up will be elected to the two year term (position most probably being vacated by Randall Ansley).

Below you will find a brief resume of each of the candidates running for office. On the back page you will find a ballot that can be torn off, folded in thirds (with the mailing address for Apple Pi on the outside), sealed (staple or tape), and mailed after affixing a $0.22 stamp.

PLEASE MAIL PRIOR TO APRIL 28TH TO ENSURE YOUR BALLOT IS COUNTED. BALLOTS WILL ALSO BE ACCEPTED AT THE MAY 2nd MEETING.

PRESIDENT-

RANDALL ANSLEY

Randy has served Apple Pi as the editor of the SEED since September, 1983. In addition to being the SEED Editor, Randy is completing his first year as Director-at-Large, but is resigning that position, if elected, President. Randy is a certified instructor pilot and has owned his own graphics arts company. Besides Apple Pi Randy teaches adult education classes in computer programming and operations, private pilot ground school, and lead glass art classes to list a few.

VICE-PRESIDENT-

TOM ANGELOS

Tom is not new to Apple Pi. After a brief absence, Tom has returned to Denver. Tom served as Chairman of the By-laws Committee in 1983/84 doing a superb job of coordinating inputs and conducting all-day meetings to finalize the details of our current By-laws. Tom has worked in computer sales, but currently is enjoying a host of other activities which keep him busy.

SECRETARY-

MARY ANN VITRY

Mary Ann has been active with Apple Pi since it was formed in 1979. She has held the position of Secretary/Treasurer in 1982/83. She enjoys meeting all the people who join and is genuinely interested in everyone in the club. Mary Ann works for Storage Technology Corp. in an executive secretarial position.

TREASURER-

JOANN BACHMAN

JoAnn is a delightful person who has been to almost all the club meetings and CORE meets over the past year. She volunteered for the position of Treasurer as she felt that she could be of the most benefit to the club in this capacity. JoAnn says she doesn't have a CPA degree, but that she is thorough and has the time to give the job the time it requires. She is not a programmer, but as a user, has probably done as much as any to expand her knowledge of Apple computers.

BOARD MEMBER-AT-LARGE (Vote for TWO)

ROY DEAN

Roy Dean is completing the year as Sales Officer. He has faithfully been at almost all the meetings and CORE meets handling sales for the club. He is also responsible for obtaining the items for sale at the great prices the Club enjoys. In addition to his Apple Pi work, Roy is a math and computer sciences teacher in the Jefferson County School system. Roy has been extremely valuable to the club in his personal promoting of Apple Pi within Jefferson County.

JIM FLANAGAN

Jim recently joined Apple Pi and immediately became involved in its operation. Jim is currently serving as Assistant Librarian for the club and is an individual who is most willing to assist other club members with problems. Jim works as a fireman for the Denver Fire Department.
